GIFT AID DECLARATION

What is Gift Aid?

Gift Aid is a scheme available to charities. It means they can claim extra money from HM Revenue and Customs (HMRC).

The charity can claim an extra **25p** for every **£1** you donate. That's if you've paid the basic rate of tax and make the donation from your own funds. That means Gift Aid can increase the value of your donations by **25%**, so you can give even more to the causes you care about.

Gift Aid is important for charities and means millions of pounds extra go to the charity sector. Each time an eligible taxpayer donates and forgets to tick the Gift Aid box, the charity misses out.

Are my donations eligible for Gift Aid?

A charity can claim Gift Aid when you make a monetary donation from your own funds and have paid UK Income and/or Capital Gains Tax during that tax year.

The amount of tax you pay needs to be at least equal to the value of Gift Aid the charity will claim on your donation(s).

If circumstances change and you no longer pay enough tax, it's important to tell all the charities you support. If you don't tell them and they continue claiming Gift Aid, you'll need to pay any difference back to HMRC.

Can I claim Tax Relief on my donation(s)?

If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self-Assessment tax return or ask HMRC to adjust your tax code

Gift Aid Declaration

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility.

Your address is needed to identify you as a current UK taxpayer. Please notify the charity if you want to cancel this declaration, change your name or home address or no longer pay sufficient tax on your income and/or capital gains.

I want to Gift Aid my donation and any donations I make in the future or have made in the past **4** years to The St Timothy Foundation.
